HOLY SPIRIT. WHAT ARE YOUR HOPES AND  
CONCERNS FOR THE FUTURE OF THE CHURCH?**

Pope Francis has invited the people of God...all people - regardless of their faith or current engagement with the church – to come together. "Synod 2021-2023" encourages us to share and envision the future of the church.

The Pope is asking us to be honest and open about our real-life experiences with the church and to reflect together on what the Holy Spirit might be revealing through what we share with one another in listening sessions.

You are invited to share your perspective on the future of the Church – your concerns, your hopes, your participation in its mission. Please join us to help build the Church of the 3<sup>rd</sup> millennium.
